

**Simply Natural:** Sized, trimmed and kiln-fired only without protective glaze. Lettering is not available. Ideal option for DIY decorating.

**Natural Clay White:** Sized, trimmed, kiln-fired and glazed only. This high-gloss clear glaze seals the natural clay and protects it from oil and dirt.

**Color Background with Natural Clay White Imprint:** Choose one color for the impression background from color chart. The imprint will remain natural clay white.

**Color Background with Color Imprint:** Choose one color from the color chart for the imprint(s) color, then choose a second color for the impression background.

**Custom Background with Natural Clay White Imprint:** Supply a fur, feather or photo for color matching reference. The impression will represent the coloring and proportion of the reference supplied. The imprint will remain natural clay white.

**Custom Background with Color Imprint:** Choose the imprint(s) color from the color chart. Supply a fur, feather or photo for color matching reference for impression background. The impression will represent the coloring and proportion of the reference supplied.

**Yin-Yang Pattern with Natural Clay White Imprint:** Choose two colors from the color chart or supply sample(s) for color matching. The imprint will remain natural clay white.

**Yin-Yang Pattern with Color Imprint:** Choose the imprint(s) color from the color chart, then choose two colors from the color chart or supply sample(s) for color matching.

**Pattern Background with Natural Clay White Imprint:** Supply fur or feathers for color matching reference and supply one photo for pattern matching reference. If a specific area of pattern is preferred, please indicate.

**Pattern Background with Color Imprint:** Choose the imprint(s) color from the color chart. Supply fur or feathers for color matching reference and supply one photo for pattern matching reference. If a specific area of pattern is preferred, please indicate.

**Lettering:** Each personalized impression includes name(s) free of charge. An extra lettering charge is applied for additional words, dates or phrases requested for the front or back of the impression. Only black or white raised glaze is available for lettering.

**Please note:** Choosing an imprint color may hide some of the textured detail captured in the imprint. Also, if you choose cream for imprint(s) color, it is very similar to natural clay white.
